State Athletics

Last Thursday our school was represented by 8 very talented students and one brilliant teacher at the State Athletics Carnival. Congratulations to our Junior Boys Relay Team who performed a personal best by 2 seconds and to our Junior Girls Relay Team who made it through to the semi-finals. A more detailed report will be following in our Sports Report but huge congratulations to all and a big thank you to Mrs Denning for her excellent training.

Accounts

Many thanks to the numerous people who have paid their term accounts so promptly. As mentioned in last week’s newsletter our end of year rollover is fast approaching and these payments need to be finalised to ensure student participation in upcoming events.

State Athletics

Over the past few months the Junior Boys and Junior Girls Relay Teams have been training exceptionally hard to progress through the District and Regional levels, all the way to the State Carnival which was held Thursday, 16th October.

It was a rewarding experience working with such an impressive group of young people. Their enthusiasm and team spirit was infectious to say the least. Many thanks to their parents for their support of myself and their children. The Junior Girls Team was made up of Abbey 5S, Hannah 4HB, Jessica 4/5M and Milarnee 4HB. The Junior Boys were Liam 4HB, Reece 4R, Joel 4/5M and Caleb 3D.

Congratulations on a fantastic achievement.

The girl and boy relay team represented Sydney West on the 16th October 2014 at Sydney Olympic Park. When the junior girls and boys were called to the marshalling area I was really excited and nervous at the same time. I put on my spikes and walked down to the race track. We all were placed in our position and when the gun went we all ran well. The girls came 4th and qualified, so we made it to the semi-finals. The girls relay team ran very well in the semi but didn’t make it to the grand-final.

Overall we came 17th out of 40-50 teams. We did really well and we are proud that we made it so far!

The girls and boys relay teams did really well at the State competition but the girls reached further in their competition than the boys. The boys did get a slightly faster time though. The whole day was fun and we were 1 little spot away from making the semis so we came 19th overall out of around 40 teams. Our time was 59.72 and the girls ran 61 seconds.
