Mother’s Day
I hope all of our mums had a wonderful Mother’s Day and that you were all well and truly spoilt. I would also like to say a HUGE thank you to Milly Fragale for her excellent work in running yet again, a superb Mother’s Day Stall. Thank you must also go to her wonderful helpers who surrendered their time to support her on Wednesday. I am aware of the many personal hours spent perusing websites and shops to ensure our students have a lovely choice of gifts at such a great price AND they come wrapped as well!

Grandparents Day
As our community is aware, we will be holding our Grandparents Day on Thursday 22nd May. I am aware that there will be a high need for use of our disabled parking spot to enable some of our Grandparents an easier access to the school. I would therefore request that no one actually parks in this spot but uses it as a drop off area to ensure that all of our special visitors can benefit from this arrangement.

Staff Car Park
I would like to stress to the community that the staff car park is for use of staff only. There have been several occasions of late where staff have nearly ran into cars flying out of the car park after having dropped students off. The visibility into this car park is very restrictive and allows for one way traffic only. Your support in this regard is greatly appreciated.

OOSH
I have received some inquiries in regards to the development of our Tender Process to have the Department of Education and Communities place a Before and After School Care facility on the school premises. I have been in contact with Assets Department on a regular basis and all paper work has been completed and location sited after a meeting this week. Once I know any further information I will again let our community know.

Data Collection - School Students with Disability
Our school is participating in the collection of nationally consistent data on school students with disability. A note, including the relevant form was sent out last week. Only return this form to the School Office if you DO NOT want your child to be counted in the data collection.

Term 2 Calendar
Finally please find attached to this newsletter a calendar with this Term’s events. You may wish to print this out and place as a guide to upcoming events.

P & C UPDATE

Mother’s Day Stall
An enormous thank you to Milly Fragale and her team of Mother’s Day mums for all of your hard work on our annual Mother’s Day stall. My children were beaming with joy and excitement as they handed over their gifts yesterday morning. I am sure that this was reflected in many of our homes yesterday. Thanks for creating such happiness for our children and beautiful presents for our Mums.

Phoenix Trading Fundraiser
Phoenix Trading offers high quality greeting cards and stationery, at prices to suit everyone. Louisa Lynch and Kim Old (both Mums at our school) are Phoenix Traders. They are offering our school the opportunity to raise money through the sale of specially selected product packs, with 30% of all sales going to the Glenhaven Public School P&C Association. Samples of the beautiful products will be set up in the office this week for you to have a closer look.

How do I order? See the attached flyer. Also, keep a look out for a copy in your child’s school bag this week! Orders close on Friday, 30 May 2014.

Trivia Night
With the theme of Heroes and Villains revealed, what are you coming as to our annual Trivia night? Who have you asked to be on your table? Get your thinking caps on as Trivia Night is only around the corner... Saturday, 14 June 2014.

Special Meeting for the P&C Association
A special meeting has been set for Tuesday, 13 May 2014 at 7pm in the staff room.
The purpose of this meeting is to:
- Provide an update on the status of the audit of the 2013 financial accounts of Glenhaven Public School P&C Association
- Nominate our auditor for 2014 financial accounts of Glenhaven Public School P&C Association
- Vote on motion on notice to change Glenhaven Public School P&C Association status from unincorporated to incorporated

What is the impact of changing the status of the P&C Association from unincorporated to incorporated?
Once incorporated, this means that:
- The P&C Association becomes a legal entity which has rights and liabilities separate from its members
- Any debt or liability will be against the Association itself, rather than its individual members
- Individual members will not be required to act as guarantors nor personal signatories to contracts or legal agreements
- Personal action normally cannot be taken against individual members unless they have been personally negligent

Please follow this link (http://www.pandc.org.au/incorporation) to attain further information on incorporation of a P&C Association from The Federation of Parents and Citizens Associations of NSW.
The next P&C General Meeting will follow directly after the special meeting.
