Principal’s Desk

Well what beautiful weather we had over the long weekend, even if it was a little cold. I must admit it is always nice to have that extra time to spend with your family and friends. However we must be creatures of habit as I am writing this newsletter Monday, as that is what I am used to.

With only three weeks left of the Term, I would encourage all families to continue to read our weekly newsletter. All relevant information and dates can be found there. As a bonus I know that the Office Manager Nicole adds the Upcoming Events at the front of both emails and the newsletter to try to make it easier. Coming up shortly we have a P and C Meeting, our wonderful Trivia Night, Athletics Carnival, Honour Awards and of course the exciting Stage 3 Camp this week.

Stage 3 Camp

If you wonder why the school is quiet this week it is because students from Stage 3 will be spending three days at Bathurst as part of their HSIE Unit GOLD. I have the pleasure of accompanying the students and have been guaranteed that the excursion will be enjoyable, warm and I will manage to get lots of sleep. I am aware of all of the efforts and planning that go into organising an adventure like this and would like to thank Mr Reid and Miss Sharpe for their outstanding work. I would also like to thank Mrs Barton, Mrs Woods, Mr Moran and the many parents for surrendering their precious time to ensure that our students have an opportunity to experience these camps.

Moreton Bay Fig Mulch

When we lost our beloved Moreton Bay Fig Tree, apart from keeping some wood, I also kept a huge mound of mulch. This is located at the top of the staff car park and cannot be missed. If there are any families that would like some of this mulch as a memento, keepsake or anything similar, please feel welcome to come and take some.

Enjoy the short week.

Principal

THIS WEEK
**Student Success**

Georgia Milner was selected to represent Australia at The 12th Japan W.A.T.A Open International Taekwondo Championship, in Osaka, Japan on April 26th, 2014.

After defeating competitors in her draw, Georgia reached the finals where she won Silver.

This tournament was attended by countries from all over the world providing a positive spirit of sportsmanship and camaraderie. The international Taekwondo rules require competitors of all ages to partake in headshots, which was the first time Georgia was allowed to use this skill.

*Congratulations on such a wonderful result Georgia!*

**Learning and Support News**

Thank you for a wonderful start to the Reading Tutor Program using Multilit this term. If you are still interested and would like to be trained, please contact Mrs Burns or leave you contact details at the office. We have vacancies for tutors on Wednesdays.

A BIG “thank you” to Charlotte Finlayson and her family for the donation of the games to the Games Room, it is greatly appreciated. The children will have lots of fun with them!

Anybody who is having a clean out and would like to donate some games, or old toy cars, please send them to Mrs Burns who will add them to the Games Room boxes.

On this note The Games Room is open on Tuesdays at lunch times for any children who are feeling lonely, can’t find their friends, need some personal space, or would like to meet a new friend, then what a better way to make a new friend than to play a game with them.

Some of the games include; Uno, Twister- we now have two due to its popularity, Hop Scotch, Tower Stack, Knuckles, Pick Up Sticks, Connect 4, The Bee Hive Game, Old Maid, Dominoes, Snap Card games, car tracks with cars, dinosaurs, and Guess Who.

Students can see their teacher before lunch for a special card and come along or see the playground teacher as well. If it is not busy some children knock at the door and ask Mrs Burns if it is OK to come in.

2013 Concert DVD Update

The 2013 Concert DVDs have been finalised and were sent to be copied early this term. After three weeks at the copier the business involved have informed the school that the DVD copying machine has broken down and is unable to copy anymore. We have also been informed that it may be a couple of weeks before the equipment is up and running again. If there are any parents or community members who have the equipment needed to copy a large amount of DVDs (over 200) please contact the School Office directly. Otherwise there will be an extended wait for the DVDs to be released.

Hopefully this will be before the end of the Term. We understand there has been an extended wait already and they are highly anticipated! Your patience is appreciated.

Thanks,
DVD Master
