Principal’s Desk
Sunday Success

Yesterday we all experienced superb weather with many families and staff heading outside to enjoy the fresh air and beautiful sunshine. However there were also many students and staff who commenced a very long but exciting day!

Morning: The Hills Dance Spectacular

Pacific Hills was a buzz of hairspray, makeup, dancers, staff and of course supportive parents. Our Boys Troupe were in the first category and were last to perform. The other troupes were very good with proud parents and cheers being heard across the auditorium. Our boys then walked onto the stage and there was a quiet gasp from the audience as they started to perform. I personally sat back in amazement, yet again, with goose pimples running up my arms. Then of course the cheering took over from inside and those surrounding me started to gather that I was associated with this dance group. Comments from those around were of the precision, energy, skills and fun that the boys were having. They won FIRST Place and the Most Entertaining Award. The adjudicator awarded them 97 points stating it was the highest score he had ever given out. His comments on the report were “Very very effective costume. Opening Michael Jackson solo routine, AWESOME. Love how polished this routine was. What a brilliant masculine performance. So many fusions of styles, congratulations to the choreographer in introducing jazz, hip hop and funk into this routine. EVERY single dance member from the back to the front each contributed to the success of this piece. I could relive this routine OVER and OVER again. YOU ALL ROCKED.

Then it was the girls turn. There were many great items with competition including both local, state and huge private schools. I must say I think our girls performed the best I have ever seen and the energy level was exhausting to watch. Faces, effort and again fun was witnessed by everyone. By now of course people were aware that Glenhaven Public School was here! Again we were awarded FIRST place! The report was as follows “Your introduction was so good it made me sit up in my chair and focus. You all played the role of “tough” girl quite well. What a well-choreographed routine. Every single young lady on this stage was an asset to the routine. I love the fusion of technique and good jazz choreography. Fabulous unison. You all performed as ONE solid unit. You all looked amazing up there and it was so good to see the back row as strong as the front. FANTASTIC ENERGETIC PERFORMANCE.

Afternoon: McDonalds City of Sydney Eisteddfod Dance of Champions

After the boys performance in the morning they were rushed away for a quick break before heading into the University of NSW to compete in the Dance of Champions. This elite level of the competition is where all dance groups who won relevant sections compete against each other. This of course includes Performing Arts Schools, High Schools and Dance Academies. The caliber of the 19 performances was breathtaking with groups coming from around the State. Our wonderful boys performed third to a cheering and amazed crowd. Being one of only two State Public Primary schools we were extremely proud to be given an opportunity to perform at such a level. However at the conclusion of the night, cheers from our community supporters were heard as we were given SECOND place for the audience vote and awarded $3500 as well. The smiles on the boy’s faces were as bright as their fluoro shirts! Tears from parents were also seen as very proud parents and Principal went to collect their boys. What a brilliant day!

Finally I would like to congratulate both troupes for their commitment to the dance program, their professionalism when performing and the way that they represent their school with such pride. I would also like to say a huge thank you to Miss Davis and Mrs Wilson for surrendering not hours but days to support our troupes and while we were enjoying the concert they were backstage supervising our angels!

Sporting Success

Last Wednesday Glenhaven Public School sent representatives to the Regional Athletics Carnival. Again students gave of their best and were brilliant ambassadors for our school. A report on this event can be found in our Sports Report however congratulations to our two Junior Relay Teams who have progressed to compete at the State Carnival. Many thanks to Mrs Denning for sharing her expertise in relay training by working with our students in the afternoons and at lunchtimes.

Glenhaven Grooves

Last Thursday night I had the wonderful opportunity to attend our Annual Glenhaven Grooves Concert. It was a tremendous night with students having the opportunity to perform in small groups or individually to display their skills, as well as highlighting their particular instrument. Students were dressed up appropriately to give another level to their performance. A big congratulation to Miss Lucia Bichara and Mr Dan Masman for their fantastic work with our students. I would also like to thank Mrs Ramsay for her continued support of our band program and for her organisation of this event.

I would like to wish all families a relaxing and enjoyable two week break and look forward to seeing all the smiling faces return for our final term.

Kerry Maxwell
Principal

Craig Smith – Illustrator Visit

On the 26th of August, Illustrator Craig Smith visited Glenhaven Public School. He did drawing workshops with the children and talked about the process of illustrating picture books. All of the children created amazing sketches from different texts. Craig Smith definitely delighted our students with his interactive tutorial, personal manner and love of literature.

Mrs de Belle
Librarian
On the 1st of September 2014, Glenhaven Public School held our very first Book Parade. The Book Parade is where everyone dresses up as their favourite book character out of their favourite book. There were heaps of cool costumes such as Cruella De Vil out of 101 Dalmations or Dorothy out of The Wizard of Oz. There were many ones that people couldn’t tell what they were but they still liked them. There were dozens of pirates that looked really fancy. We had a big parade where each class walked around the oval once. The second time you walked around the oval, you spoke into the microphone saying who you were dressed as. After the march around the oval we had recess. If one of your family members came, we could have recess with them.

My favourite part of the day was the march because we got to say who we were into the microphone. It was an awesome day. I LOVED IT!

By Georgia Keen 4R.
British Colonisation Excursion

Last week, on Wednesday 10th September, Stage 2 went on an excursion to The Rocks. Year 4 started at the Big Dig. When we got there, Year 4 got divided up into 2 groups. 4R got the tour guide Gaz. His real name was Gary but he wanted us to call him by his nickname.

Our program was to be Dirt Detectives. At first, we had to go on a tour around the place to find out about three different convicts. The convict’s names were: Anne Armsden, George Cribb and Margaret Byrne. We learnt that George was transported because he printed his own money and was sentenced to 7 years. George Cribb became a very wealthy man as he owned his house, a butcher shop and later on a pub / hotel. Also, because Cribb was a butcher, he had to have a farm.

Inside his farm there was a slaughter yard where he killed his animals. (Beth Wade)

Unfortunately he built his house on a slope. His house was at the bottom and the slaughter yard was at the top. When he cut/killed the animals some of the blood eventually ran down to the well (in his backyard) and he got poisoned by drinking the water out of the well. He finally realised that he had poisoned himself, but by then it was too late. (Kiri Olsen)

Margaret Byrne was sent to Australia for stealing from her mistress. She got 7 years transportation. Her job was a seamstress. She had 7 children and after the 7 years she got a free pardon. She decided to stay in Australia and made a new life. (Sophia Caruso)

Anne Armsden was a highway robber and she was sent to Norfolk Island, then later came to Sydney. She became a wife but didn’t have any children. She became a baker. Anne lost her husband because he drowned when he was out fishing with some Aboriginal men. The boat he was on tipped over and he died. Anne was sad, because Anne’s husband always brought some shells home for her and she decorated the living room with them. (Cooper Charles)

A couple of months later, the Aboriginal people caught a shark. When they were dissecting it, they found a hand in the shark’s stomach. The hand had George’s wedding ring on it with some engraving so they knew that he had been eaten by a shark. (Beth Wade)

We next got a sheet to fill in. You were given an artefact and you had to draw what you got. I got a
smelly glove. It belonged to Anne Armsden because she was a baker and she also owned a horse, so she used a glove.

Next we went into the sand pit. It felt like summer in there. I found a peg and I also found pink metal. I liked how we had to act like archaeologists that are finding artefacts. (Emilie Madders)

It was really fun because we got to experience what professional archaeologists do. This part of the excursion was really fun and educational. Soon enough we were having a lunch and recess break by Sydney Harbour. There was a beautiful view of the harbour and the whole Stage (Years 3 and 4) saw heaps of Sydney Ferries named after the ships of the First Fleet. We saw the Scarborough, the Alexander, the Charlotte and the Lady Penryn. Still we knew the day wasn’t over.

The next activity was going on a tour around The Rocks. We had to dress up as a convict or soldier. I was a convict named ‘Mary Reiby’. I found out that Mary Reiby was the wealthiest woman in Sydney. To acknowledge her, Mary’s photo is on the $20 note! (I felt very special) (Beth Wade)

My name was Lieutenant George Johnston. He was a very loyal person. He would not argue with Captain Arthur Phillip and would always do what he was told. He would always be fighting in any wars. We learnt a lot about convicts and how people lived back then. I had heaps of fun and I can’t wait for the next excursion. (Ben Thomas)

We had an excellent day and Year 3 did the same programs, just in the reverse order. I would like to thank the parents of Stage 2 for organising to pick the children up after 4pm. The whole day was such an amazing learning experience for all of the students and allowed them to build on the knowledge that they had learnt. The students of Glenhaven Public School behaved brilliantly when we were out and about in Sydney. One of the tour guides told us that Year 3 had been exemplary whilst on the earlier tour. It is such a pleasure to spend the day with all of the children and staff from Years 3 and 4.

(Mrs Reedman)
**School Sport Australia Basketball Championship!**

From the 16th to 23rd August I competed in the National Basketball Competition in Townsville, Queensland. In these days we competed against all the different states, the tournament consisted of two games a day and an an education day. We won our first 2 games against WA and ACT on the first day. On the second day we played an aggressive NT team and we unfortunately lost by 4. Our second game was against a fast and athletic QLD team. We lost by 5 in overtime, it was a tough game! The third day we played a fast SA team and unfortunately lost. Our last game was against a very skillful Victorian team. NSW finished 5th in the tournament. I played well throughout the tournament and finished in the top 20 for scoring, I enjoyed the experience and hope to be able to go again in the future!

Ben Moul

**Sydney West Athletics and Beyond**

On the 10th September I went to the Regional Athletics Carnival at Blacktown International Sports Park. First I had to get a Castle Hill singlet. My first race was the 200m event. I was surprised how hot it was. I think it was 30 degrees. At the end I came 2nd last, but I was ok with that.

When Joel, Liam and Caleb arrived, we began training with Mrs Denning. Just the normal training we do each week. My mum bought me a Sydney West jumper and photos. Then it was the relay. The Junior Girls came 1st in their heat. The Junior Boys came 3rd and were ranked 8th overall. The Senior Boys came 5th and were not through to the final. In the finals, the Junior Girls came 2nd and were through to the State Competition.

I was nearly crying at the start because I was so nervous and worried about letting my team down. I was praying to God about three times – Can we come first, second or third? When I got hold of that baton, I was running like the wind. We came third and were through to State too. I was so, so happy. I was running up and down. I was screaming at Caleb to run, run, run! Luckily he did! At the end, we had to take our Castle Hill singlets off and give them to the leader of the Castle Hill Team. We each were given a patch.

We are off to the State competition.

Reece Winston

Congratulations are extended to all the Glenhaven students who competed on the day. We wish the following relay athletes the best of luck at the State Carnival.

**School Sport and Clubs Program**

This year, students in Years 3-6 involved with the school sport and club groups have been engaged in a variety of fundamental skills based activities and other interest group lessons offered by our talented staff at Glenhaven Public School. I would like to thank and praise Mrs Sylvania Toopitsin and Mrs Donna Hand for their coordination of the school sport and interest clubs programs throughout the year!

Miss Julie Sharpe
Glenhaven PDHPE Coordinator
P&C Update

Spring Fair Wrap Up

As part of our P&C meeting last week, we held a Spring Fair Wrap Up where we discussed what worked well, what we learned and what we could do better. This discussion has been captured in a Spring Fair Wrap Up document. If you are interested and want a copy of the report, please contact us via glenhavenpublicschoolpandc@gmail.com

Fundraising Update

At the beginning of the year, P&C set a target of raising $60,000 profit which would be used to:

* Support the presence of teacher’s aides in our classrooms throughout the school
* Take our school into 21st century learning through the provision of new smart boards (as they are beginning to need replacement) and going wireless, where we are aiming to enrich our students learning by introducing new content and technology such as iPads in our classrooms.)

With the funds raised from Spring Fair sitting in the coffers, it is timely to give you an update on our progress towards our goal. To date, we have raised $43,648. Come and look at our progress on the fundraising thermometer in the office.

So, how is this money going to be reinvested back into our school?

* $18,000 will be used to support the presence of teacher’s aides in our classrooms, which is equivalent to 3 hours per school day
* We are contributing towards the installation of WiFi in the school over the next month
* We are also contributing towards the purchase of 10 iPads for each stage (i.e.: early Stage 1 (Kindergarten), Stage 1 (Year 1 and Year 2), Stage 2 (Year 3 and Year 4) Stage 3 (Year 5 and Year 6))

It is planned that teachers will use Term 4 to become familiar with the new technology and plan how to integrate it as a component of their teaching resources.

Future of Fundraising Survey

Whilst we have managed to raise a substantial amount of funds, over the course of the year we have seen a significant decline in the number of people volunteering to be actively involved in an event as well as a reduction in their level of financial support. This trend is supported by feedback that we have received from our school community that parents are time poor and are expected to contribute a substantial amount, in terms of both money and their time.

The impact is that our target of raising $60,000 profit is unrealistic and will not be achieved. We have also learnt that with the current level of support from volunteers, the continuation of Spring Fair in its current form is unsustainable.

It is time to ask the questions. We would like to seek your views on what is the best way for the P&C to fundraise in the future? Do we continue to roll out a series of events each year? Or do we consider other alternatives like implementing an annual P&C contribution instead of these events?

With it becoming increasingly difficult to raise funds for the school, it is important to be transparent as to how these raised funds are used. We are also seeking your opinion on how these raised funds are used.

How do I share my opinion? Today, you will receive an email encouraging you to follow a link to complete a quick survey. All responses are anonymous. It will only take about 5 minutes to complete.

The survey closes on Sunday, 21 September 2014.
Please take the time to complete the survey. We want the results to reflect the views of our entire school community.

What happens next? The results of the survey and the future of our fundraising efforts will be discussed at the next P&C meeting on Tuesday, 14 October, 2014 at 7pm. We invite you to join us to be part of the discussion and the decision on the best way to proceed.

Movie Under The Stars

We are hosting our inaugural Movie Under the Stars on Friday, 31 October 2014. We are seeking sponsors for this event. Do you know of any local business who would be interested in being a Community Sponsor? This is a fantastic opportunity that offers great public awareness of the sponsors business as well as shows their support of the local community. Packages include a generous component of newsletter advertising, stall opportunities and their name on the big screen. For further details, please contact Cate Hayton catehayton@outlook.com ph: 040 040 7661

Save the date for what is going to be a fabulous night. More details about the event are coming soon!

Summer Uniforms

Just a reminder that all of our children return to school in Term 4 in their summer uniforms. Has your child outgrown their summer uniform? The Uniform Shop will be open on Wednesday afternoon from 2.30pm as well as Friday morning from 8.30am to help you out with all your summer uniform needs.

Kath Dalla Fontana
President
P&C Association
The canteen will be open on Thursday for parents and children to enjoy morning tea together after the Honour Assembly. We will also be selling leftover ice creams from the Spring Fair. Bring your money with you to buy Bubble O Bill, Gaytime and Splice for $2.50 or Classic magnums for $3.00.

Look on Flexischools in the next couple of days for our next Treat Day. On Tuesday 14th October you will be able to devour a delicious ‘Pizza and Drink Meal Deal’ for just $6.00. Your taste buds will be beside themselves trying to decide between Margarita, Ham and Pineapple, Supreme, BBQ Chicken and Meat Lovers washed down with a sparkling Lemonade or Bottle of Water.

As much as we would like to heat your yummy treats from home, it has long been the Canteen Policy not to, due to health regulations. Please do not send any food from home to be reheated.

Big Red’s letterbox is cleared at 9.30 everyday so if you bring your order in after that please let the lovely Canteen staff know so it’s not missed.

On the home stretch this week are:
