Principal’s Desk
Welcome back to a very wet start to the year. A huge welcome also to our many new families.

Today we have successfully formed our new classes for the year. Again the school has 17 classes with one composite class, 2/3 W. As in all years I am aware that there are often some nerves about returning to school and wondering which friends will be in my class and what teacher I will have. There are also times when parents do make requests in regards to other students, however it must be pointed out that in many cases there are only 2 classes per grade, so accommodation of requests cannot always be possible.

Staff have spent many hours last year forming the classes with friendships groups, both positive and negative in mind. With classes full there is no room for children to change class, as for one child to move into another class, a current child must be swapped back.

If you have any concerns or queries in regards to your child’s placement please contact the appropriate Year Supervisor.

Mr Reid - Stage 3 (Years 5 and 6)
Mrs Reedman - Stage 2 (Years 3 and 4)
Mrs Wilson - Stage 1 (Years 1 and 2)

Newsletter Routine
This year the school will be sending out newsletters every fortnight odd weeks. In the alternate week the P and C will be sending out a bulletin with relevant information including sponsorship. It is hoped that through this process communication from each of these important parties will be more effective.

Of course the school will continue to use emails to inform the community of important information as it arises and will endeavour to ensure all material is transferred to the school website. Please ensure you have subscribed to the school newsletter and relevant grades for your children via the school website www.glenhaven-p.schools.nsw.edu.au. See instructions on this page.
